FINEST NAMED HYACINTHS

ALL FIRST SIZE

The Single-flowered varieties are generally more effective than the Double ones, and they are also better for glasses. The Double varieties are marked with an asterisk (). Our Named Hyacinths represent the cream of the Holland Nurseries and are sold under their original names, not under fancy names manufactured in this country.*

Iris

IRIS

SPANISH IRIS

(*Iris Hispanica*)

Very profitable for florist who plant them largely for cut-flowers. Plant in beds in the open as soon as received in the autumn, and protect slightly in the winter months. In the beginning of April, cover the beds with glass, so as to have the flowers ready for cutting in May.

Belle Chinoise. Golden yellow. 50c. per 100
Blanche Superbe. Pure white. 50c. per 100.
